Lamborghini Driving Break In Black Forest

Spend a long weekend touring some of the most spectacular driving roads in Germany's Black Forest, behind the wheel of a Lamborghini Murcielago LP644 Roadster.

Head to Zurich and check into the recently opened B2 Spa Hotel. After some pampering and relaxing on the rooftop pool and spa, head out for dinner. The following morning, your Lamborghini will be delivered directly to your hotel and you will be met for your drive briefing. Tour 1 takes you through the lower mountain passes and small villages of the Black Forest to the spa resort of Baden Baden, where you will spend your second evening. The following day, you make a second tour back to Zurich, once again through the forest, this time tracing the central core past glacial lakes, waterfalls and sweeping Panoramastrasse.
